

24 January 2019

Dear Parents,

At Wellington Primary Academy, we are keen to promote a love of reading in all our children. We believe that learning to read fluently is fundamental to success in all areas of education. With this in mind, we are hoping to launch an Early Morning Reading session to support children to achieve their full potential in reading.

In order for this to work effectively, and for us to offer it to as many children as possible, we are looking for parent volunteers to listen to readers, every morning in the School Hall between 8:30-8:45am. No prior experience is necessary; a short training session will be arranged before the first reading session.

We know parents and carers are busy people, but if you are able to volunteer it will be very much appreciated. Please indicate below the days when you are available, and return this letter to Mrs Stellan, either via the School Office, or your child's class teacher by **Monday 4th February**.

Yours sincerely,

Mrs K. Chapman
EYFS Phase Leader and Reading Co-ordinator
