

Dear Parents

We would like to take this opportunity to welcome any new families to the area. The Nest is based at The Wellington Primary Academy in Tidworth and has been the point of contact for parents looking to reserve a place at The Eagles Nest, the Nursery that will open at The Wellington Eagles Primary Academy in Ludgershall.

Unfortunately, due to the delay in the building at Ludgershall, the opening of The Eagles Nest has been delayed. At this point, we cannot give a specific date for when the nursery is going to open but we hope it will be with the academic year of 2020-2021.

We are aware of the inconvenience this causes and are trying to accommodate as many children as possible at The Nest in Tidworth, for anyone who wishes to travel in the short term. We will be reviewing the current waiting list for the Eagles Nest and offering places, trying to accommodate your needs as much as possible.

We understand that Tidworth is 2 miles from the Ludgershall site, and this can be a challenge for parents that do not drive, so are trying to get a list together of any parents who would not mind car sharing to bring other children to The Nest, Tidworth.

Alternatively, we have been in contact with other nurseries, which are local to Ludgershall and their details are provided below if you wish to contact them to see if they are able to meet your childcare needs.

Again, we apologise for the inconvenience the delay in opening the Eagles Nest has caused and we will be in contact again when we have more details regarding a place for your child at either setting.

Kind Regards

Clare Robertson
