

The World Around Us!

English

We will be exploring the wonders of the world (both real and imaginary) through fiction writing. We will be focusing on the following story types:

- Classic Narrative
- Adventure Stories
- Stories set in different cultures
- Stories set in different worlds

SPAG

We will perfect our grammar skills with a focus on the following literacy tools:

- Character Development through description (clauses, similes, metaphors)
- Using word choice to describe setting and move plot forwards (personification and onomatopoeia)

Maths

As well as continuing on sharpening our arithmetic skills, we will be delving into the world of:

- Measurement (length, mass, area, volume, time, etc.)
- Properties of shapes (lines and angles)
- Reflections and translations of shapes
- Statistics (interpreting data in tables and graphs)

Science

We will study living things and their habitats with a specific focus on:

- life cycles of mammals, amphibians, insects, and birds
- life process of reproduction in some animals and plants

Harriers Year 5 Spring Term- 2nd Half

Home Learning

- Read at least 3x per week
