

The Space Around Us!

English

We will be exploring the wonders of narrative writing – linking to the Sci-Fi genre!

- Classic Sci-Fi narratives unpicked
- Character and setting analyses and development
- Focus on dialogue and inner monologue of characters
- Creating our story maps with problems and resolutions.
- Writing our own narratives in the style of a Sci-Fi text.

Science

This term we are becoming 'Space Presenters':

- learning and sharing what we know about the solar system.
- Getting to grips with planetary scales, sundials and time zones.
- Analysing the movements of the earth and moon – creating a moon month diary.

PE

We will focus on hockey this upcoming term! Bring your kit
Wednesdays and swimming will continue as scheduled.

Art

We will be analysing impressionist art from the great Monet to Cezanne. Learning the features of impressionist art, famous pieces of work and techniques used.

Finally completing our own modern take on 'Impressionism'

SPAG

- Character and setting development using a range of figurative language (metaphors, similes, personification and onomatopoeia).
- Focus on creating atmosphere and integrating dialogue to convey character and advance action (the crowd gasped, she bellowed).
- Using expanded noun phrases to add detail to our characters and settings.

Maths

We will be exploring and deepening our understanding of the following areas:

- Measurement (length, mass, area, volume, time, etc.)
- Properties of shapes (lines and angles)
- Reflections and translations of shapes
- Statistics (interpreting data in tables and graphs)

Final applying what we know to solving reasoning problems!

Geography

We will be exploring the world around us with the help of the following geographical skills:

- reading atlases, maps, globes, GPS to locate and describe countries
- use compass, key, and symbols to read a map
- observe, measure, and record human and physical features

Music

We will study music from different cultures and traditions from around the world.

Design and Technology

Kingfishers will be using what they have learnt from 'Going Green' to upscale materials/objects which otherwise would have been thrown away.

Kingfishers Topic Web – Spring T4

Home Learning

- Read at least 3x per week
- TT Rockstars
- Spelling Test every Friday

RE

We will learn about religious practices, lifestyles and how geographical location affects religious beliefs and traditions.

PSHE

We will focus on "Going Green", how we can help keep our planet clean and why.
