

# Kingfisher's Weekly Overview

WB 25th February 2019

In English we have begun to explore the world of Sci-fi. Kingfishers have been analysing a range of Sci-fi texts and recognising the key features. We have also been reading 'The Iron Man' by Ted Hughes and using similes, onomatopoeia and ambitious adjectives to describe the characters.

We have been learning how to recognise and convert measurements in Maths. With the sun so bright we decided to measure outside and then apply our converting knowledge to centimetres, metres and millimetres!
