

## Wellington Primary Academy Sports Premium Statement 2017-2018

### *Funding*

In 2014, the government announced additional funding of £150 million per annum until 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### *How will the funding be spent?*

Wellington primary Academy will receive £17,500, so we have developed an action plan to ensure that the money is spent wisely. The tables below gives a breakdown of the different ways that the funding is to be spent and the expected outcomes.
