Dear Parents/carers

We would like to welcome you to Wellington Primary Academy as your child begins their primary school journey.

This letter outlines the next steps in making sure your child's transition into school is as smooth and worry free as possible.

Visits to school – Wednesday 5th July at 1.30 - 2.30

Wednesday 12th July at 1.30 – 2.30

These will be opportunities for your child to spend some time in their new classroom with their new class mates. Parents do not stay for these sessions. Children are invited to attend both sessions.

Children will come into school through the side gate, next to The Nest, and will be delivered to their classroom. I (Mrs Chapman) will welcome Barn Owls, which is the second classroom door and Mrs Clark will welcome Snowy Owls which is the first classroom door.

If you were unable to attend one of the parent induction meetings and do not know which class your child is in, class lists will be available on arrival or you can call the school office for this information.

Visits to nursery and your home.

As an important part of a smooth transition into school your child's teacher will visit them at their current pre-school setting and at your home. This is an opportunity for us to see your child in a relaxed environment which is familiar to them and a chance for your child to share things they are interested in. If you have not yet signed up for a home visit please call or email to arrange these.
